CLIMATE CONTROL

SONOCONNECT

FLEXIBLE INSULATED DUCT

DIMENSIONES: 102 mm 10 m

DESCRIPTION:

- **Robust Construction:** Made with thickened aluminum foil and high-strength spiral steel for durability and flame resistance.
- **Superior Insulation:** Features glass wool insulation for heat resistance (-4°C to 454°C) and up to 85% noise reduction.
- **Flexible and Versatile:** Easily bendable design reduces wind resistance, ideal for various non-corrosive gas ventilation systems.

SPECIFICATIONS	
Product	**120-032**
Reference	**632032**
Product Size	**Φ102mm x 10m**
Material	**Aluminum foil + Glass wool**

PACKAGING	
Gross Weight (KGS)	**3.4 KGS**
Net Weight (KGS)	**2.9 KGS**
Carton Dimension	**20*20*100.5 CM**
QTY	**1 PCS/CTN**
